

# FOLLOWING THE FRIDENSTINES

## ***Merry Christmas!!***

As we enter this season of Christmas time, we have so much for which to be thankful - both in what Christ did for us 2,000 years ago as well as what He has been doing in recent days. We are thrilled to have a small part in God's great work. This has been a very busy season for us, and here are just the highlights.

We had our graduation for the Christian school the 15th of November with approximately 330 people in attendance. Our special friend and guest speaker, Carlos Navarrete, came down from California to clearly preach the Gospel. There were several that raised their hand indicating that they had just accepted Christ as Saviour for the first time. We are so thankful for their decisions and are trying to follow up on them, build relationships with them, and see them be faithful in the local church.

We then had the privilege to see a young couple in discipleship make the decision to get married. They have been together for some time, but didn't know there was anything wrong with it. Now that they are learning from the Bible, they have a desire to do right. We had the privilege to have their wedding in our home and to officiate a wedding for the first time. They now have an amazing joy.

We have seen several people get assurance of salvation as I have

been teaching from the Bible that God's gift of salvation is eternal and not something that can be lost. What a joy to see the relief when people realize how God cares for every detail.

Thank you for your prayers and support. It is making a difference. May God richly bless you during this season.
