January 2012

Dear Friends in Christ:

Greetings, as we start off the New Year 2012. We pray that each of you have a great year in the Lord and see great things accomplished for His glory. We praise the Lord for all that was done during 2011. We were able to have a wonderful Thanksgiving with lots of food to share with thirty-seven of our Bolivian people. Christmas time the churches were able to give out over four hundred gifts and bags filled with goodies to all the children, teens and adults that were present.

The seminary is doing well with fifteen studying. Two of the churches now take care of the seminary and are doing a fine job allowing the students to study when they are able.

In October the Church in Ovejuyo had its anniversary with great preaching and fellowship. The church was full every service with many decisions being made. During October the churches had their first Ladies Conference for two days with a high of sixty-nine ladies in attendance. Nancy spoke each night. In December we had an ordination service in which we were able to ordain four men to the gospel ministry. In all the ministries there has been good attendance and souls saved. This month all the churches have their VBC, with Coqueni having theirs this week. They had 107 kids the first day! Also, the teens go to camp next week.

We are still in the process of looking for buses; hopefully within the next few weeks we will have them. We are unable to ship from the states because they will only allow buses no older than 5 years into Bolivia.

Nancy had a battle with sickness earlier, but is doing fine now. Her sister Betty was here for three weeks; they had a good time together.

Thank you for holding us up in prayer and support.
