Dear Pastor, Partners and Prayer Warriors,
As I write this, we are only 6 months from our departure date. I cannot tell you how awesome it feels to be leaving for India! Of course there are times of nervousness, but we know that the God that has taken care of us here, will also do the same in India. We serve a great God! God has allowed to have a booked schedule for support we need. We are trusting that He will because He has never let us down.

Our family is doing great and we are all busy preparing for India. Elijah received his passport this month and he is very excited as you can see below. Autumn and Elijah also started the immunizations process to get all the needed shots for India. We plan to all get our last shots in December and we will be ready to go!

We have had several churches give toward our setup fund and I cannot express how thankful we are! We are currently **a little over half way** with our set up fund and hope to have the rest by January 15th. I honestly believe that we have the best supporting churches in the world! Thank you so much for your generosity.

A special thanks goes out to:

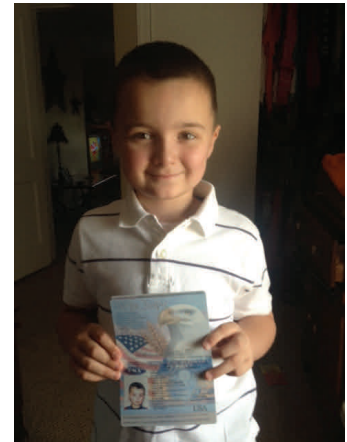

- Bible Baptist Church in Brunswick, GA
- Trinity Baptist Church in Easley, SC
- Friendship Missionary Baptist Church in Willow Spring, NC
- White Pine Baptist Church in Moscow, ID
- Concord Baptist Church in Pickens, SC
- Mile Creek Baptist Church in Six Mile, SC

These churches have specifically sent in for our setup fund and we are so thankful for that. May God bless you for your giving spirit.

I also had the privilege of being ordained just a few short weeks ago. I am honored and humbled that my hero's and friends were able to come to this special service! I thank God for the men that He has placed in my life. This is an exciting time for us, and hopefully for you as well, as we are getting closer to leaving. Please keep us in your prayers as we are preparing to make this big transition.

Together we can reach them,

The Jim Roberts Family

The Roberts are committed to seeing a **church planting movement** in India though the **training of leaders.**
