Dear Friends of the Harvest,

Does your church support any missionary, or know of any national church & pastor, in **Bulgaria**? If so, you could be a great help to me.

I am having a very hard time finding contacts for missionaries or national pastors in Bulgaria. I have sent letters to several mission boards, and missionary friends, asking for contact info but everyone that has written so far has said **they never had or no longer have any missionaries in Bulgaria**. I am still waiting on information from some of my friends and contacts, but in the meantime, I thought I would ask you, my supports to check with your local church to see if you may have someone in Bulgaria that your church supports. Here is why I need that information.

In July of 2013, I will be leading an evangelistic team to the **Deaf Olympics in Sofia, Bulgaria**. The SWMI missions trip team will be distributing tens of thousands of Gospel DVDs and tracts to the Deaf that come from all around the world to participate, assist, or to be spectators. Many of these Deaf come from countries where the Gospel has not yet penetrated the Deaf community, or has had very little exposure. Deaf athletes, coaches, trainers, and medical personnel will come from places such as Israel, India, Saudi Arabia, Mongolia, Iran, Iraq, and Yemen, to name a few. They need Christ.

I will be going, **September 2012**, to prepare for this 2013 Summer Deaflympics. One of the **main pieces of the puzzle** are the **men, national leaders and missionaries**, in Bulgaria who might be able to **help me with logistics** on this survey/preparatory trip.

I need men who can help get me around to the different places so I can talk with officials as well as see things and evaluate before making plans for the SWMI Team that will be there next year.

I would like to have names, email addresses, and telephone numbers for any missionaries or other **contacts in Bulgaria** that might be able to help us, please.

Even if your contacts do not live in Sofia, but in another city, I would still like to contact them. In the past, I have found the contacts I needed through those who live somewhere else in the country, even though they did not live in the city where we were ministering.

I leave for Bulgaria in 3 weeks. Therefore, I need to make contact with godly leaders there as soon as possible in regards to dates and their availability.

Your help in this matter is important and appreciated.

Thanks so much, in advance, for your attention and assistance.

One last word... If God is burdening you for full-time missions service, and you do not know where to go, let me suggest you pray about Bulgaria! Apparently, the harvest field is still in great need of laborers there! Maybe God would use YOU in Bulgaria!

If you would like more information about Bulgaria, please write me in October... after I return from my own survey trip to Bulgaria. I will be glad to fill you in on anything I find out there about the country and its spiritual needs.

If you would like more information about the July 2013 Missions Trip to the Deaf Olympics in Bulgaria, please write me in October. I will have more details about the costs and the trip itself at that time.

May the Lord continue to bless you and your ministries.
