#### *Greetings to all our friends in Christ:*

*We are always thankful for the grace of God that He has continually shown to us through our prayer and financial supporters. A lot has transpired in our lives since our last communication with you and the greatest of these would be the fact that we have had eighteen professions of faith in Christ for salvation in the churches that we have visited. God has used your prayers and support for His glory, and we never take that for granted.*

*The following words will summarize our activities: Traveling, preaching, teaching, helping, encouraging, counseling, guiding and these all took place in church services, mission conferences, class rooms, chapels, a marriage retreat, a wedding and two funerals. To say the least, our life is not a simple*

*normal routine.*

*Bonnie and I would appreciate your continued prayers for our safety in travel, physical and emotional stamina as we strive to invest our lives into other people and in particular young people who have so much energy and many years to give in His service. It is a privilege and honor to be in His service and once again we thank you for partnering with us.*

*In Christ,*

*Ed Gibson*
