

**Jim & Autumn Roberts**  
ELIJAH & ALI GRACE MISSIONARIES TO INDIA

December 2012/January 2013

Dear Partners and Praying Friends,

As I write this we are only 27 days away from leaving to go to India! We are so thankful for each of our supporters and prayer partners. It would be near impossible to do this without you. Many of you have been faithfully supporting us from the beginning and we appreciate you greatly! We also pray for you and your church on a weekly basis.

Currently, we have moved out of our home and into my parents home for the remainder of our time here in the States. We had a huge yard sale last weekend and sold everything we are not taking to India with us. The yard sale brought out many different emotions for us as we narrowed our household down to 15 bags. We had so many memories within those things, but we know that we will make new ones when we get to India!

We sent off for our Visa's last week and prayed for God to do the impossible. As you can guess...He did! We were granted a five year business visa, which allows us to stay in the country for up to five years without having to leave or cross the border. I am thankful that God can do the impossible!

We are so excited and ready to begin our next step of the journey and are thankful that you have been a part of our journey thus far. We have had several other churches take us on in the past couple of months and are still awaiting their support. We are looking forward to adding more to team India. Speaking of team India, we have been praying for laborers and God has seen fit to add to our team for India. Paul and Amber Taube have surrendered their lives to come. They began deputation a little over 2 months ago and God is already doing great things through them here in the states. We are excited to have them join us in the journey to reach India for Christ. If you are looking for missionaries with a heart for God and India, they would be the missionaries for you!

I cannot say enough thank you's for your support for us, it is humbling and a tremendous blessing to say the least! We look forward to writing our next prayer letter from India.

Please help us pray that God would already be preparing the people of India for the gospel.

Together we can reach them,

*The Roberts Family*
