Dear Pastor and Praying Friends,

I just want to thank each one of you for your continued faithfulness in your support and prayers for us. We pray for each of you and thank God for you! We would not be able to be here without your constant prayers and support.

I can honestly say with all my heart that we love living in India and are excited to be learning the language daily. We are spending no less than 3 hrs a day in class and about 7 more hours involving language after that each day. Hindi is a beautiful language and every word is so full of meaning. I am making headway in my Hindi bible, understanding an average of 5 verses a day. I am excited about that! I can't wait to get to the point where I can read, understand, and teach others. My tutor has also started translating discipleship material to use when we begin ministry after we learn Hindi. My tutor is a young Christian named Dass (that means "servant" in Hindi), he has had no discipleship and is extremely hungry to learn the Word. This discipleship translation has also allowed me a opportunity to teach him daily, as well. Dass then goes and teaches what he learns from his Bible to a group of 4 or 5 believers. He has so many questions about Jesus and the Bible! It is refreshing to be around him and see his desires to learn.

We are excited that this month our church planting partners in crime, the Taube's will be visiting us here in New Delhi. We will be seeing many things and meeting many people. We are excited about what God has in store for India. We can't wait to see them and show them this place we have grown to love. We will be visiting Varanasi, where they bathe in the river to cleanse themselves from sin. They also burn their dead loved ones in hopes of them skipping the reincarnation cycle and making it straight to heaven. It is a very sad and heartbreaking thing

to watch. Above is a pictures of these fires that continuously burn night and day...so sad! We are so thankful that Paul and Amber have given their lives to learn the language and tell of the glorious Gospel that is the only hope of the World. Would you help me pray that their journey is safe and profitable? Also, that their burden would grow and their zeal to reach Indians with the Gospel will be unmeasureable. If you have not had them into your church to present their ministry, they would be a great blessing to you and your church family. You can reach him at [pjtaube@yahoo.com](mailto:pjtaube@yahoo.com).

- Please continue to pray for us as we learn Hindi.
- For Upendra, Amita, Annu and Nakul to be saved.
- That God would direct us to the right people and areas for future ministry
- For Boldness
