MISSIONARIES TO KENYA

July 2013

Dear Pastor and Praying Friends,

The Lord is working in our lives! It is a great feeling to know that you are in the very center of the will of God! The past few months have been filled with spiritual victories as well as personal trials. We have had to face trials like flat tires, broken teeth, and sick children; but the Lord has met the need every step of the way! We are excited about the days ahead and are trusting God for great things!

A Big Announcement

We are happy to announce to you that we are expecting our 3rd baby! Rebekah is doing well and our baby is due sometime in December. Please pray for the health of Rebekah and our new baby.

Family

We are having a great time traveling this country. In July we celebrated Savannah's 4th birthday! It seems like yesterday we were holding our baby Savannah for the first time and now she is 4 years old. Time moves too fast! Micah is having fun seeing all the new sights and meeting new friends.

Ministry

We are currently making preparations for our 2013 IBOM Kenya Conference. I want to thank all of you that have given to meet the financial need. Currently, we are only \$300 away from our goal. Please pray that this last amount would come in soon!

Kenya

We have been receiving great reports from our national pastors on the field. There is a great move of God in Western Kenya! We are currently working to make the update letters from our national pastors available to you. They will be a great blessing to you!
