MISSIONARIES TO KENYA

SEPTEMBER 2013

Dear Pastor and Praying Friends,

Our 2013 IBOM Kenya Conference was a great success! The Lord has done far beyond what we have asked! During our conference we had 390 saved, dedicated 7 new churches, and had a high day of 3,500 at the Malaba Outreach Baptist Church. I have added several pages of pictures for you to see what the Lord did! One thing that I know for sure is that the Lord has his hand upon the efforts of IBOM!

### Urgent Need!

We have recently purchased a van that is currently being used by our ministry in Kenya. We need to raise \$1,200 to cover the insurance for 2014. This money has to be raised by December 31 or the van will not be able to be used. We are asking the Lord to give us 6 churches that would give \$200 each to cover the cost. Please pray about giving to this need!

### New Baby

In our last letter we told you that we are expecting another baby. We have been to the doctor recently and found out that we are having a boy and that he will be due on January 2, 2014. The new baby and his mother are in great health and we are excited to welcome a new edition to our family.

### Future Ministry

We have learned of many needs during our last Kenya conference. One of the pressing needs that we have is to establish a bible college in Manaja, Kenya. We are working on setting up this new bible college and we are asking pastors to consider coming to Kenya to help us train Kenyan men for the ministry. Please contact us if you are interested.

### Violence in Kenya

Many of you have seen in the news about the recent shooting in a Nairobi mall. I was actually in this mall 8 days before it took place. We are thanking God for his providential hand of protection upon us and we would like to ask you to pray that the Lord would use this tragic event to bring souls to Christ in Kenya.

His For Kenya,

Spencer Smith
