PICTURES OF OUR TRAVELS ...

November 2013

Dear Pastors, Partners, and Praying Friends,

“Trust and obey, for there’s no other way, to be happy in Jesus, but to trust and obey.” This song comes to mind more and more as we are on deputation. The words to this song really came to life as we experienced our first tire blowout ever. Coming back from Dallas, North Carolina one Sunday night in October, the back tire on the driver’s side completely blew out as we were on the interstate. Thankfully nothing happened to the van or anything. We were able to use roadside assistance program. Someone came out and helped us change the tire. I gave the man a tract and a tip. Pray for this man’s salvation.

The Lord once again allowed us to stay busy the entire month of October. Every Sunday and Wednesday found us in a different church. We were also blessed to have been part of four mission conferences. What a privilege it has been to meet new pastors and their precious congregations. Everyone has been so nice to us and treated us well. Praise the Lord for all of the sacrificial gifts and finances. Thank you so much to the church that gave us a printer to use while we are on the road and even, Lord willing, use in Japan.

God is still speaking to Christian’s hearts about the ministry. Several people from different churches stated that the Lord is working on their hearts in special ways. We met a young man in October who just graduated from West Coast who is doing an internship that feels a calling for Japan. How exciting it would be to work with this young man if the Lord continues to guide, lead, and direct in that way. People are being saved and baptized as well as getting on fire for serving the Lord. What a mighty God we serve!

Currently we stand at 7.5% of our needed support for Japan. Praise the Lord that in the month of October we had one church take us on for support and two other churches stating they would let us know towards the end of the year. Thank you once again to everyone who has given on our behalf.

During October, we traveled a total of 2,921 miles, were in 8 different churches, and 5 different states. Everyone is traveling well and we are excited to continue to see what the Lord will do as we magnify the Lord by ministering to others on deputation. One thing we have learned is that when God calls you, he will take care of you. We are still eating, have clothes and items for the kids, as well as gas in our van.

We love each of you. We praise the Lord for you all and look forward to what the Lord will continue to do in your lives as well. Please keep in touch. Here is a list of the churches where we will be in November. May God Bless!
