

December 2013

Darleen and I want to thank you for praying and supporting our ministry financially for another year. It has been a blessing to work with World Wide New Testament Baptist missionaries for the last twenty eight years.

We had the opportunity to spend more than a month with missionaries in Micronesia during February and March of this year. This is where the mission was born. Pastor Wingard's vision has been realized in so many ways on the various islands of Micronesia. Most of the ministries there are now in the hands of national pastors, and the works are doing very well. In August, I was blessed to return to Romania after almost fifteen years. It was amazing to see the changes that have taken place in the society as a whole. It was a joy to see so many friends that I have not seen in many years. The works that were started in the 90's are doing great. I had the pleasure of preaching in several of the village churches that we were involved with years ago.

We have also witnessed the goodness of our Lord in missions conferences this year. There are many churches that have consistently increased their missions giving in spite of the poor conditions in our country. There are many faithful missionaries serving the Lord on mission fields all over the world. At the same time, there are many more that have taken their responsibility as a sender just as seriously, and they are finding ways to continue their missions giving.

The one thing that I have been most impressed with this year is the capable young families that the Lord is calling to serve in regions beyond. I was recently in a conference with two World Wide missionaries. Each one raised their support in less than two years and are now on their way to the mission field to serve. Let us continue to pray that the Lord will call others to serve Him among the unreached of the world.

Please continue to pray for us. The Lord willing, I will be in Africa this month and then Myanmar in February 2014. As you know, we travel many miles every year. Please do not forget to pray that the Lord will continue to keep us safe in these travels.

In His Service,
Danny and Darleen Whetstone
