Subject: Bob & Marie Ford's December 2013 Prayer Letter

Dear Pastor and Praying Friends,

We want to thank you for your faithful support of the Bearing Precious Seed Ministry and our family.

You are a wonderful encouragement in these last days. For those of you who can only support us in

prayer, we are extremely grateful to each of you. Whether a supporter or non-supporter, your prayers

are a lifeline for us. Thank you for caring.

We do want to thank the ten churches and individuals who sent in Christmas offerings or presents.

This really helps us to be able to do something for our family members. Since it our Lord's birthday,

we always give a large offering to Him through different missionaries, Jewish missions, and several

other ministries.

Bob's urologist let us know that the 45 radiation treatments have caused problems in both Bob's

bladder and prostate. As we told you before, the antibiotic to treat this cost \$785.00. The other antibiotic to treat the harmful bacteria in Bob's stomach and intestines is going to cost a lot more

than we thought. The gastroenterologist thought that it would cost between \$500.00 and \$600.00.

Our health insurance provider let us know that it was going to cost \$1400.00. They will not cover the

cost of either antibiotic under Obamacare on the first dosage, but will partially cover any refills.

Here at Christmastime, we thought we would not be able to get either one of these medicines, but

because of four precious individuals and our wonderful “Forgiven Sunday school class” at First Baptist

Church, we will be able to get them shortly after Christmas. Wow! Hallelujah! God sure is great to use

such godly folks to help us in time of need. We cannot thank God enough for placing a burden on tender

hearts.

May God bless and reward each of you all over this world for your kindness on our behalf. Your influence

in our lives causes us to love our Lord more and helps us continue to do all we can to get God’s precious

Word that has changed all our lives to a world in desperate need.

Have a blessed Christmas and a Spirit-filled New Year.

Yours for Christ and His Word,

Bob and Marie Ford—Proverbs 3:5, 6
