

[2013 Year End Report](#)[View this email in your browser](#)

2013 A GREAT SUCCESS!

There are many news agencies reporting that 2013 was "a year to forget", but we have declared 2013 as a year of God's blessings! In this email we want to show you what the Lord has done with us in Kenya.

New Addition to the Family!

Samuel Smith was born on December 5, 2013. He was 6 lbs and 5 oz. He is happy and healthy. We are praying that the Lord will use his life for the glory of God!

2013 Kenya Conference

The Lord's hand has been evident upon our annual conference in Kenya. During our Conference we had 390 saved, dedicated 7 new churches, and had a high day of 3,500 at the Malaba Outreach Baptist Church. What a year!

New Churches Planted

In 2013, we have seen several new churches planted and buildings built. Currently, we have been able to start 62 churches in Kenya and Uganda. Many of these churches have been able to start their own churches! This is how church planting should work. "And so were the churches established in the faith, and increased in number daily." - Acts 16:5

28 Graduate from College

The Lord is doing great things through the Providence Baptist Bible College in Malaba, Kenya. In 2013, we had a record enrollment of nearly 80 students and 28 graduates. We believe strongly in the principle of training nationals. "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." - 2 Timothy 2:2

Youth Camp a Great Success!

Many of you gave to meet this year's need for the annual IBOM Kenya Youth Camp. The results of this year's Kenya Youth Camp are: 450 in attendance, 100 saved, and 6 surrendered to full time ministry. Thank you to all that gave! We know their are great rewards waiting for you at the Judgment Seat of Christ!

69 Saved at New Year's Eve Service!

This year the Akitesi Outreach Baptist Church hosted our annual New Year's Eve service. The people of the church spent many hours canvassing the area and inviting people to the service. Many people in Kenyan communities are happy to come to a church service on New Year's Eve. That evening over 600 people showed up! A church service was held outside and 69 Kenyans were saved!

What a way to start the year!

Goals for 2014

In the next few weeks we will be outlining some goals that we would like to accomplish in 2014. We would love for you to get involved in what the Lord is doing in Kenya through IBOM. Be on the lookout for future emails from us!

Missions is not the "ministry of choice" for a few hyperactive Christians in the church. Missions is the purpose of the church.

Author Unknown

The true greatness of any church is not how many it seats but how many it sends!

Author Unknown

The best remedy for a sick Church is to put it on a missionary diet.
