Establishing and
Equipping Local
Churches through
National Pastors

“But my God shall supply all your need according to his riches in glory by Christ Jesus. Now unto God and our Father be glory for ever and ever. Amen.”

What blessing it is to see God continually supply all our needs! From small to large, there is no need too great for our God! Last month, I showed you pictures of Faith Baptist Church, which we were able to start in Tinker Village, Liberia, because of the provisions of our Mighty God through His faithful servants here in America. I also shared last month the financial need to complete the building, get a well, & septic system. I am excited to say that there has already been a gift of \$450 to purchase the 1,000 gallon water tank when we get our well dug! Also, because of the gift of one of our sending church members, we were able to have a brick molder

made for one of our churches in Tappita, Liberia! You will see in the pictures below the beginning of a new school building. Notice the clay bricks they are making to use for the building. Using only a wooden mold, it would take many months to make all the bricks necessary for this building. With this steel brick mold, which will pack them so there are no cracks and will keep every brick the same size, they will be able to produce bricks at a much faster rate, and it will be much easier to build. They are so thankful for this new tool!

New school building under construction

The old way of making bricks

Brenda and I are once again heading north to Ohio where it is still very cold! This is tough on us Florida folks, but we are looking forward to presenting our ministry and preaching. After this, we have the great opportunity to go to Capitol Hill in Washington D.C. for the Capital Connection. We will be with over 500 pastors to hear Dr. David Gibbs, Pastor Paul Chappell, Pastor Don Strange, and others. I will have the privilege of personally meeting with, praying for, and presenting to our state representatives a special book entitled, “The Prayers That Shaped America.” Please pray that we can give voice to the biblical principles that were once the foundation of this great country.

Prayer Requests:

- * The Capital Connection March 10-12
* Continued meetings and new support
* WWNTBM staff as they serve us, so we can serve you

Your Missionaries to West Africa,
Rick & Brenda Osborn
