FIELD MISSIONARIES TO KENYA

MARCH 2014

Dear Pastor and Praying Friends,

It is overwhelming what the Lord is doing in Kenya. There are so many being saved and so many churches being started that I almost can't believe it myself! This is a growing and going ministry! The sobering reality of this is that a growing ministry has greater financial demands. In this letter we would like to outline some goals that we are attempting to meet with the Lord's help.

2014 IBOM Kenya Conference

Over the past few years, the annual IBOM Kenya Conference has become a tremendous meeting with many Kenyans saved. This year we are expecting 5,000 people in attendance at the Malaba Outreach Baptist Church. The cost of this years conference is \$10,000. We are asking 50 churches to give \$200 each. Would you please prayerfully consider helping us with this need?

Providence Baptist College Nairobi

I have spent some time with our men in Nairobi and we have been working out details about starting Providence Baptist College in Nairobi. We have found a building and we need to raise about \$300 a month for the operation of the college. We are praying for 3 churches to support the college at \$100 a month.

Lakoni Outreach Baptist Church

A few years ago, we were able to plant a church north of Nairobi called the Lakoni Outreach Baptist Church. This church is seeing people saved and has about 30 in attendance. We have been able to purchase land and are trying to raise the money to build this church a building. The cost of the building will be \$4,200. Please help us pray for this need.
