June 15 – August 15 2014

Dear Friends in Christ,

We greet you from Sicily once again to share some of the happenings over the last months.

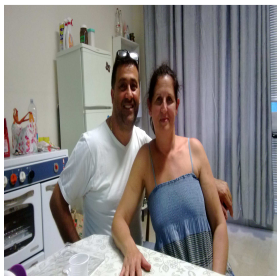

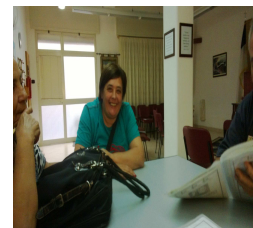

Linda returned from the states June 16th and we are so thankful for your prayers for her safety. She was able to get my heart medicine for another year to bring back. My doctor was pleased with all of my analyses. Praise the Lord for a good HEALTH report!!

Samantha is a lady that visited the Church a number of times while Linda was in the States and listen to the gospel intently, but so far has not accepted the Lord as her Saviour. Please keep Samantha in your prayers that we will soon see her saved. She has a teen-age daughter that needs the Lord also.

Fruit from our evangelizing in the open Air Market:

Maria is the lady that has passed our table many times and talked with us and we have encouraged her almost every week to come to Church. Well Praise the Lord, a few weeks ago she can on a Sunday night and has been since. She is not yet accepted Christ as her Saviour, but she is listening to the preaching closely and asking questions. She needs our prayers.

Franco and Paula is a couple that accepted Christ in their home the last day of July. We met Franco a number of years in the Open Air Market as we were passing out tracts. I was able to witness to him and he seemed to be open to the Gospel. Every week I would leave him a different tract and told him to read it with a open heart and if he had any questions to write them down and ask me to explain it to him the next week. Well finally July 30 he ask me and Linda to come to their home for a visit so we could explain to him and his wife how to know Christ as their personal Saviour. Thank the Lord for saving their souls. Please pray for their growth in the Lord.

In the last prayer letter we were waiting on the Bibles to be printed because we needed them for the 2 months of Evangelizing on the Waterfront during the months of July and August. Praise the Lord they finally finished the printing and shipped them to Bro. Sal Galioto in Palermo, and we were able to buy 150 Bibles at 7.00 euro each, which was \$10.00 each including shipping. We are thankful to have a good copy of the Old Giovanni Diodati Bible, which is the same as the Old KJV. We are praying that each Bible we give out will be used to bring Italians to a saving knowledge of our Lord and Saviour Jesus Christ. We are trusting the Lord to give all of these Bibles out during this vacation time and that the Lord will provide for us to be able to purchase 100 more.

Maria and Francesca

July and August are months that Franco and Maria Puglisi, that have a home here but work in Germany come home for vacation. They are a blessing and have been faithful in Church since they came in July as well as they having been bringing their Catholic neighbor Francesca with them. We are praying that she that her heart will be open and that the Holy Spirit will help her to see her need of the Saviour in her live and not her good work and religion.

God bless and please pray for many in ITALY to be SAVED!!

**In Christ,
Bro. Randall & Sister Linda**
