**Establishing and
Equipping Local
Churches through
National Pastors**

To all our partners and friends, we send our greetings!

April & May brought many blessings! We were able to have with us **Pastor Kerdoe Dwanyen from Liberia, West Africa.** He is one of the pastors we are working with in Tappita, Liberia. This was his first visit to the USA. What a blessing it was to introduce him to several churches and for them to hear from a national pastor about what God is doing in West Africa! Along with his many opportunities to preach, he was able to share how the Bible college has been such a blessing to his church and the surrounding villages. He thanked those churches who are supporting us and those who are helping to sponsor students for the college. He shared how many new churches will be started as a result of the training they are receiving.

We are excited that semester two is coming to an end, and we now have 48 students registered for the fall semester in our 3 colleges.

One great highlight for Bro. Dwanyen, as well as for Brenda and me, was the opportunity to go to Monroe, LA and meet with Bro. John Yates, founder and teacher of the *Faith Bible Institute*. We are presently using their DVD program that takes you through the entire Bible and every major doctrine in only 6 semesters. We used this in the church that I pastored for 14 years, and we are now using it in Liberia and Ghana. *I would greatly encourage any pastor to consider this program for your church. It is the best Bible teaching program I have seen and is very affordable. It is worth looking into: faithbibleinstitute.com*

Water Purification System. I had the joy of meeting with John Hays in Washington, IA. Bro. Hays has invented a water purification

system that is being used throughout Sudan and other parts of the world to make the worst water drinkable. For information:

We Praise The Lord for the many opportunities we have had to share our burden for West Africa and new partners that have joined with us. What a blessing to see our support level go to 55% and have new partners join in our ministry! It is our prayer that other churches we have been blessed to be in will also add us to their mission family.

Another major blessing in my life is the opportunity to preach in my hometown of Joy, Illinois, on June 1st. Many family and friends from the area will be in attendance, and I am praying that God will do a wonderful work in their lives! Although the service will have taken place by the time you receive this, please say a prayer. As we know, God answers prayer before it is even asked.

Please pray for us.

- ◆ Meetings & partners
- ◆ As we travel and present our burden for West Africa
- ◆ Faith Baptist Church in Tinker Village, Liberia and the need for a well, septic, and interior.
 - We praise God for the donations we have received. We still need about \$25,000.
- ◆ WWNTBM missionaries and staff.

Thanks to everyone for your support and prayers for Brenda & me! We cannot tell you how blessed we are to be part of your mission family and to have you as part of our ministry in West Africa!

Rick & Brenda Osborn
