## Missionaries to Thailand

September 17, 2014

Dear Pastor and Praying Friends,

We thank all of you for the cards, emails, and special offering that you sent for Rachel's birthday! We are also thankful for your continual emails, letters, cards, prayers, and faithful support for us as we continue to serve the Lord here on your behalf!

We thank the Lord that we have recently seen some fruit of about 6 new English students coming to church to study English with us from a neighborhood near the church that we tracted down a couple of months ago. Evelyn teaches the children up to 4<sup>th</sup> grade, which is the hardest group to teach because they are on so many different levels. I am teaching from 5<sup>th</sup> grade up and about 3 months ago I have started using a Creation to Christ Bible study to teach my English class. We have just started to study about the fall of satan and will probably be in this lesson for another week or so because some days we only get through a couple of sentences or to about 2 paragraphs. For the majority of my students this is the first time they have studied about any of this and I thank the Lord that we have this Bible study also in the Thai language. I am making lesson sheets with English on the front and Thai on the back so they can study both languages and understand what we are studying about. Because faith cometh by hearing and hearing by the Word of God. Please pray that our students will come faithfully so that they will not just get bits & pieces of our class discussions, that they will open their souls and really think about the truths that we are studying, that we will see the new students also start coming to the church services, that God will open the doors for us to have an in road into their families, and that they will receive Jesus Christ as their Saviour.

Please continue to pray for the Thai man named Paul that I am still having Bible studies with. The other day he asked me if I remember the first time that we meet him and what he said to us that "faith was only good for some people," then he said can you believe that we are now having Bible studies together. Please pray that Paul will be sincere and fight against satan and the many things in his life that are battling against him from acting upon the Bible truths that we have been studying together.

Several times in the past, I have asked you to pray for a young Thai man that use to come to the church named Nung. About a month ago I started having a Bible study with him but in the last two weeks he has went and done other things instead of us studying the Bible together. Please pray that the Lord will give me wisdom in studying with him and that he will truly be sincere with God and let God work in his life.

We praise the Lord that I get to teach and study through the Bible college material with Apisit and Sumet almost every Wednesday and Friday. It's a blessing to see these men have a desire and hunger to study the Word of God to know more about their Lord and Saviour and use what they have studied to witness and teach to others. Please continue to pray that God will give all of us wisdom and.....

understanding in studying, applying, teaching and preaching His Word. And please pray with us that God will raise up more Thai men, who will be true Bible believers that will start new churches throughout Thailand and the world for His glory.

Also please pray along with me as I am praying for wisdom in finding more people that are open to the Gospel and willing to come to church or at least study the Word of God with us, in hopes of them being born again or strengthened in their faith in the Lord Jesus Christ that will be evidenced by them faithfully serving the Lord for His glory through His local church. Also please pray for Sumet's older brother named Thong Kham. Who before opposed Sumet trying to preach the Gospel to their family back in their village. For the past several months Thong Kham has been battling some sicknesses and has seen several medical doctors and several witch doctors also but he has not be cured. About a month ago when Sumet went back to visit his village, I asked Sumet to see if his brother would be open to studying the Bible with me but his brother said that he is not ready yet. But about two weeks ago he said that he is thinking about moving near Sumet which is in the area of the church. So pray that he will be more open to the Gospel, and that he will come to church and allow the Lord to work in his soul.

Three of these are new English Students and the other is one is Nam, who is pretty faithful to study with us and also in coming to the church services. Plus on this day we were missing two of our regular students.

Three of these are new English students also. Paul and I are having our Bible study at his restaurant.
