## Missionaries to Thailand

To open their eyes, and to turn them from darkness to light,  
and from the power of Satan unto God... Acts 26:18

Christian groups over the years. Then about three months ago, Anuchai came to visit Pastor Srithone again with a desire to really study the Bible and know God more. Anuchai is the leader of a Lahu church but they have been confused about some things as a result of them being with different Christian groups over the years. For almost three months now I have had the opportunity of teaching and preaching every Sunday morning at this church about the fundamentals of faith in Jesus Christ. And Pastor Srithone and I have been holding a Bible study at this church every Thursday night also. Already some of the members have shared how they have a better understanding of salvation and faith in Jesus Christ and two Sunday's ago we had a baptism service at a pond near the church because several of the members have never been scripturally baptized. We praise the Lord that these people are asking questions and want to know what God has said in His Word about several things in regard to faith in Jesus Christ and the Christian Life. Please pray with us that these people will continue having a hunger to know more and grow more in their relationship with the Lord Jesus Christ.

I am teaching in Thai and Anuchai is translating into the Lahu language because there are a few people in the church that do not understand enough Thai, to just have the teaching and preaching in Thai.
