

DANNY AND DARLEEN WHETSTONE

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

December 2014

Dear Faithful Friends,

Thank you for standing with us for another year. June 2015 will mark thirty years that we have been serving with World Wide New Testament Baptist Mission. Many of you have supported us from the beginning. Darleen and I cannot thank you enough for your prayers, financial support, and friendship.

It has been a very busy year with our travels taking us around the United States and overseas. Along with the travels, we also made a move to Smyrna, Tennessee. We have joined the Franklin Road Baptist Church in Murfreesboro, Tennessee, and are blessed by the preaching and teaching ministry of Pastor Mike Norris. It has also been a joy to be near some of our children and grandchildren.

We have another very busy year scheduled for 2015. We are certainly grateful for the open doors both at home and abroad. We have plans to be in Africa, Micronesia, and Jordan in the coming year. Please pray that the Lord will give us safety, health, and wisdom as we attempt to serve the Lord in the coming days. We praise the Lord for His goodness to us in 2014. We depend greatly on you mentioning us as you go to the throne of grace.

Please pray for our missionary families. They face so many difficulties that only the Lord can bring them through. It is a blessing to serve with our missionary families, office staff, and Executive Board. We want to do all that we can to faithfully serve the missionaries that the Lord sends to us and also the many churches that stand behind them with prayer and financial support.

Darleen and I want to wish you a Merry Christmas and a Happy New Year. Let us give our very best in the service of the King in the coming year.

In His Service,
Danny and Darleen Whetstone
