God is doing great and mighty things in Northern India...

February/March 2015

Thank you so much for your faithfulness to us. We are ever conscious of all that you do and how you sacrificially give to us. We pray for you and thank you. We have officially crossed the two-month mark of Grace Baptist Church in Chattarpur. God has been working and it has been exciting to be a part of it! We had our first big push in February when we had "Friends Day". Everyone had worked very hard for this big day and it paid off. We ended up having 94 people come for this special day. We had over 65 first time visitors! They all heard the Gospel and we are praying that those seeds will take root in their hearts. We have begun follow up on these that came for our special service and we will see what happens! Altogether, I was very proud of our people and all their hard work. Their love for Jesus challenges and encourages me.

God has blessed us with visitors almost every service, many as a result of our outreach. As densely populated as North India and especially Delhi is, it is not difficult to pass out over 1,000 flyers in just an hour or two. We feel God has been blessing these efforts. We have several guys that are stepping up into leadership roles and that have been taking on more responsibility. Several young guys are preaching short sermons weekly, coming to discipleship and church faithfully, and attending our weekly Bible College.

Most of these young guys are being trained by myself or our other

leaders 5-6 times per week. We have really been trying to push everyone to disciple someone else as they are being disciplined. This is not just going through a series of lessons; this is a relationship, life on life.

We have had a very busy month with a group that came in Mid-March. Two of my heroes were here during this time: My Dad and Austin Gardner. Pastor Gardner has been an immeasurable help to myself and the ministry here in India. He has been a friend and confidant and I cannot thank him enough for the time he has invested in my life. My father is my best friend and hero so I counted it a great honor to have these 2 men with us. I would like to encourage you to find a mentor, if you do not already have one. Find someone to whom you are accountable to and someone to whom you can talk to, ask advice, and trust that advice. My Father and Pastor Gardner have been that for me. They were both able to teach and preach while they were here. They were greatly used, not only in my life, but also in the lives of our people.

Also we would like you to know that we are taking a **short furlough from May 13 - July 15, 2015**. After this, we will be **planting a second church** in another area in Delhi. We are hoping to raise some extra funds for this endeavor. Das will be taking this church by the end of the year and Suresh will be moving up into the Assistant Pastor position at Grace. Both young men are growing, learning and have proven their love for Christ. We are excited about this new step. Again we love you guys and appreciate all you do!
