**Establishing and
Equipping Local
Churches through
National Pastors**

April 2015 Newsletter

Dear Friends & Supporters,

Thank you all for your prayers and support as we continue our deputation ministry. We have enjoyed good meetings in Ohio and Missouri this past month, and will be spending the next three months in IA, IL, TN, WV.

AWAKE AMERICA

We also had the great opportunity to attend the 3rd Annual **Awake America Capital Connection** in Washington D.C. Once again we had the privilege of meeting with and praying with Senators and Congressmen. Several spoke with us in a special session and gave clear testimonies of their faith in Jesus Christ. What a blessing to know that there is yet a remnant in our nation's capital! I encourage you to go to the **Awake America** Website and learn of this effective and needed ministry: <http://www.awakeamericaonline.org/the-capital-connection.html>

LIBERIA

We praise God that the Ebola is apparently under

control and we are again able to do ministry in Liberia. The students have been able to pick up the Fall Semester of our Bible Colleges during this Spring Semester. *A big thanks to **The Faith Bible Institute of Monroe, LA** for their understanding, patience, help, and working with us through this very difficult time! The students of Liberia are so very grateful!*

Ghana

Pastor Peter Mensah reports that the new church planted last year had to move from the school room, however, they were able to purchase some property and begin putting up a building to meet in. They are now having a regular weekly attendance of 30 members.

Please keep these ministries and us in your prayers! God is so good and we are so blessed to have you as our partners!

God's best,
Rick & Brenda Osborn

The Faith Baptist Church of Tinker Village is doing well! Because of our financial support, Pastor Saywah and his wife have been able relocated to the church property. He is so grateful that the Bible College has reopened for his personal training.

Pastor Kerdoe Dwanyen's car is up and running again thanks to the help of those who contributed to his tires and repairs! He is so very grateful!
