WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

May 2015

Dear Faithful Friends,

Darleen and I want to express our gratitude for your kindness to us by praying and financially supporting us. We have been blessed with a very busy March and April. As a matter of fact, Darleen stayed home so that I could fly to the missions conferences and one revival in April.

I never cease to be amazed at God's goodness in the faith promise missions conferences. Every church is exceeding in 2015 what they were able to do in 2014. In many places the economy is still not strong, but the Lord's people graciously respond to the needs that they are presented with by missionaries going all over the world.

Pastor Bashai and Brother Edgar Feghaly kindly invited me to spend a Sunday with Evangel Baptist Church in the Detroit area. This church has been and is continuing to be blessed with wonderful growth. They are attempting to build a larger auditorium and remodel their existing building. There are a million people living in that area from the Middle East. It is a blessing to have good men attempting to reach them with the Gospel of Christ. I want to say thank you to those that have been giving to help make this a reality.

By the time you receive this, we should be in Kauai, Hawaii, with the George Milgrim family. The Amazing Grace Baptist Church will be having their first faith promise missions conference. Please pray that the Lord will get them off to a good start.

The month of May marks one year that we have lived in Smyrna, Tennessee. We are often asked how we like it, and our response is always the same. We love it! As many of you know, we are near three of our four children. We have also joined Franklin Road Baptist Church in Murfreesboro, Tennessee. Pastor Mike Norris is a great blessing (when we have the opportunity to be there).

I trust that the Lord will continue to bless your labor of love for His name's sake.

In His Service,  
Danny and Darleen Whetstone
