Lights out! That's still the main event in Zambia. Poor rainfall continues to lead to mandatory power outages. In addition, the kwacha has fallen in value compared to the dollar and is poised to hurt the Zambian economy. Pray for the economic state of Zambia and that it will lead to a softening of the hearts toward the gospel.

It is hard to believe it is November is already here and the Holidays are around the corner. October has been a very busy month as missions conference season kicked into full swing. The Lord put us in churches in VA, NC, IL and OH. It is exciting to see what God is doing and will do for world wide missions through these churches. We are thankful for having the opportunity to be a part of their vision for missions. The month of November is equally as busy as we will be in churches in Canada, IN, NY, NC, AL and GA. churches that plan to take us on, so with that commitment we are around 82%. Please pray for the Lord to continue to close this gap. We continue to plan for a Spring 2016 departure. Our schedule is full into Spring. We are eager to join the Barnhouses and start reaching and teaching the souls in Zambia, Africa

We want to express our sincere thanks to all those that have partnered with us in prayer and those that faithfully support financially. You have a part in the ministry and the fruit thereof in all the churches we minister in while on deputation. Soon you will be reaping the blessings of the ministry in Zambia and beyond.

It is such a joy and encouragement to continue to hear from many of you as you respond to our praise letter. Please continue to stay in touch!

## As you pray for us...

Please keep the following in mind:

- Souls saved and people to surrender to God's call on their life
- The power of God on our lives as we share the ministry
- Our kids to see our love for God as we obey Him
- For the salvation of our younger children
- Procuring items and shipping a container later this year
- Amanda's upcoming surgery this December
