To Our Partners in Ministry,

We hope you had a great time of Thanksgiving last month. We do indeed have much to be thankful for. It was great to be at our home in Alabama with friends and family for this time. We are also thankful to be home for Christmas.

What a busy time we had in November. It was a blessing to be in all the churches the Lord lined up for us in Canada, IN, NY, NC and AL. God is doing great things in these churches for the cause of Christ. Amanda did have to return home to AL for medical tests in preparation for surgery in December. I continued to travel with my two older girls while Amanda took the two younger ones. We were glad to meet with them as we headed to a meeting in AL.

Speaking of Alabama, there was a burst of excitement in the van as we entered the state. We have been traveling almost continuously for six months so it was good to be home. We are thankful to be at home the entire month of December. There

are a few close meetings planned in the area and with the majority of our time being spent on Amanda's surgery and road to recovery. Please continue to pray for us, as Amanda will be having surgery on December 7.

Our meetings will be local for the next few months as Amanda recovers. While here, preparations continue for our move to Zambia. Our ministry partner, David Barnhouse, is working to get our paperwork cleared with the Zambian government. We have started packing our things for shipment to Zambia. The current plan is to load and ship our container in January 2016 with estimated departure to Zambia for us in April 2016.

Praise the Lord for the additional churches and individuals that we have had the opportunity to meet and minister alongside thus far. We are very excited about all those that have chosen to support the ministry. Please continue to pray the gap between actual and promised closes. When the overall % is actuals, we can leave for Zambia!

Thank you and Merry Christmas!

As you pray for us...

Please keep the following in mind:

- Souls saved and people to surrender to God's call on their life
- The power of God on our lives as we share the ministry
- Our kids to see our love for God as we obey Him
- For the salvation of our younger children
