Missionaries to Thailand

March 2016

Dear Pastor and Praying Friends,

Please note that all postal mail needs to be sent to our new postal mailing address as noted at the bottom of our letterhead and not to our old postal mailing address.

Thank you for your sacrificial special offerings, all the cards and emails for our family during Christmas, and for your on going support and prayers for our family and the ministry of the Lord Jesus Christ here in Thailand!

Within the last month 6 of our previous English students have come back several times to study with us again. Two of these are sisters that have not been back for almost two years. We thought that more than likely we would never see these sisters again because before they stopped coming, they started asking us questions about ghosts, spirits, life after death etc, then after that, they stopped coming. Now I am using a Creation to Christ Bible study for English class so they are learning about the truths of the Gospel. Please continue to pray for all of the English students that they will not harden their heart toward the working of the Lord in their souls but that they will respond to the working of the Lord.

Summer break for most schools is starting toward the end of March to around May and we are preparing for our 5th annual English camp from March 28-April 1. We are praying for the Lord to give us as many students as possible and let us see

at least 20 of them saved and unite with the churches. Pray for the high schoolers and adults that will come, for us that are teaching, preaching, and giving testimonies, for safety during the camp, and for people to respond to the working of the Lord in their souls to be saved and follow Him.

We praise the Lord for the opportunity this past weekend to be with Missionary Enrile Badua at the Bangkok Baptist Church, in which I was able to teach and preach the last Sunday of their missions month. We thank the Lord for His working in the souls of the members this past month and the church increased their monthly missions budget by about \$200.00! Please pray that the members will be faithful in their giving so their church can expand their missions ministry.

In January we were invited to preach at a Lahu New Year Celebration near Pa Mai Deng BC. I preached about the blessings that Jesus Christ wants to give you this year which are the forgiveness of your sins, the peace of God, being your friend that is closer than a brother that you can fully trust, and lastly, Jesus Christ wants to take care of your daily needs. But the question is are you going to allow Jesus Christ to bless you with these blessings or not by sincerely responding to the working of the Lord in your soul either through repentance and accepting Jesus Christ as your Saviour or by surrendering your life to obey & follow the teachings of the Word of God in your daily lives. I was also able to talk to a few men and 0

explain to them that you are not a Christian because your parents or relatives are Christian or because you have been baptized etc but because you have personally obeyed the command of Jesus Christ to repent and believe the Gospel of Jesus Christ. Pray for the members and the people that come to Pa Mai Deng BC that they will surrender their lives to the Lord for Him to use them to be a witness to the lost around the church and will use and teach the Bible truths they are learning to others. Also pray because within the past month the devil has been fighting against the working of God here in several different ways and we need the Lord's wisdom and direction in these situations.

Along with these things over the past months we had Christmas and New Years celebrations in the churches, I was able to give a Bible challenge in Anucha's daughter's wedding, Apisit was licensed into the Gospel ministry, and this Sunday is Wiang Ping BC anniversary.

Once again thank you for the special offerings, cards and emails for our family during Christmas, and for your on going support and prayers for our family and the ministry of the Lord Jesus Christ here in Thailand!
