Greetings in Jesus' Name!

Our prayer is that as life rolls on for all of us and the difficulties and problems that accompany us along life's journey on this side of eternity, we have and can find comfort and strength to continue, knowing that the Lord Jesus is always caring for us, and we can rest in that He is always with us no matter what our experiences are in our lives!

It seems that when it rains it pours (as the old saying goes). We have had an abundance of family problems with several families in our church lately. Yes, our people have the same struggles as all believers no matter what country we are living in. Drugs, rebellion, economics and infidelity are a real plague here also. I need God's wisdom! As far as church attendance, we are doing well and our out reach is doing very well also.

Hoyt Mason and his son Micheal came to MX for a week to work on the mechanic pit/bus shelter and they did a lot of hard work but we were unable to finish the project while they were here because of the amount of work involved and the heat factor was and is constantly working against us. They accomplished much while down. Now it is my two grandsons (one still having college classes and the other will start college soon) and ole grandpa trying to complete this project and we WILL get it done! The cost was doubled what I have planned (because of materials and labor cost) but God supplied every cent to the penny. God is good, all the time!! We thank all you that made this possible!

Our AC went out in our house and it is a bit warm with temps ranging from 102 to 106 daytime and 80 to 90 night temps. Cool weather cannot get here too soon for us.

Barb and I are doing well and we can still do the same things as when we were younger but it sure seems to take us a tad longer to accomplish the same things. Our love for God's work and the people of MX has not changed. If anything, it has grown stronger over the years we have had the privilege to serve the Lord here.

Thank you for your faithful financial and prayerful support for the Lord's work and for us. Through you, we are able to continually serve the Lord in Mexico.
