## THE GREAT DENIAL CONTINUES

*The stone which the builders refused is become the head stone of the corner (Ps 118:22).*

I wonder, have you ever thought of the context of the above verse? It is really amazing because it is a verse which is so often quoted, yet it is seldom linked to its context. It is a verse that you hear frequently but the application is missing. Here it is; Ps 118:24: *This is the day which the LORD hath made; we will rejoice and be glad in it.* Rejoice in what? One is to rejoice in that the Stone (Christ) that was rejected has become the Head of the corner. Here's all the verses in order: Ps 118:21-24

*21 I will praise thee: for thou hast heard me, and art become my salvation.*

*22 The stone which the builders refused is become the head stone of the corner.*

*23 This is the LORD'S doing; it is marvellous in our eyes.*

*24 This is the day which the LORD hath made; we will rejoice and be glad in it.*

The resurrected Christ has become the Head of His Church and all whose names are written in the book of life are members of His Body, the Church.

Jesus spoke of this specifically when He was *refused* or rejected because He said that He is the Son of God which made

Him equal with the Father. Take a look of how our Lord used this verse to rebuke those who refused Him. Matt 21:42-44: *42 Jesus saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, the same is become the head of the corner: this is the Lord's doing, and it is marvellous in our eyes?*

*43 Therefore say I unto you, The kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof. 44 And whosoever shall fall on this stone shall be broken: but on whomsoever it shall fall, it will grind him to powder.*

**Jehovah's Witnesses, Mormons, Seventh-day Adventists, and Muslims** all refuse Jesus because being equal with the Father would make Him not only God, but also eternal. Denying that Jesus is the Eternal Son of God is the central doctrine of the great apostasy or the great denial of the last days. You may be surprised to find that Walter Martin, who wrote *The Kingdom of the Cults*, p.103, and John MacArthur both have or had rejected the Eternal Sonship of Christ for what they call "Incarnational Sonship."

# WHAT'S HAPPENING ON THE FIELD

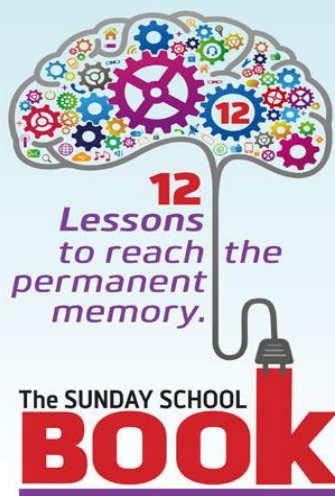

## BACK ON THE ROAD AGAIN

First of all, I must just praise the Lord for His goodness. Not only is He good, but He is also very good to me. Contact with JW's and Mormons is what we asked for and that's what He gave us. The first meeting was with two Mormon missionaries who were both 19 years old and called themselves "elders." After prodding them for their first names while they were looking into the face of a man who was an elder (man) they yielded graciously with James and Eric. Then they volunteered an explanation for the elder title on their name tags. James said that elder means teacher (well he had it half right) and for two years they teach about the gospel. I used that to lead them into the John 1:3 checkmate. Eric seemed to be quite interested in what he was hearing and remained calm through the whole dialog. When James tried to use his "testimony" (the burning of the bosom) to validate Mormonism, we went to the signs of the times comments which expose this experience as being satanic. Well, James panicked. Closing all the "exit doors" is the key that exposes JW's and Mormons to the reality that they are lost without any hope. This should be the goal of every conversation with anyone who is lost.

Our next meeting was in Hazlehurst, Georgia where we met with two Mormon missionary girls and had a revisit with a JW family.

The Mormon girls were very polite until we challenged their "testimony" with the signs of the times. The one girl reacted same as James; she practiced and became belligerent and demanded that we leave immediately. The older JW couple were both sitting at the dining room table with their tablets studying for the Watchtower's Sunday morning question and answer session. We also did the John 1:3 checkmate with them. This led to *who is Jehovah?* and the five verses in Zechariah that identify Him as Jesus. Our next stop is NC to see Michael.

## TAKE THE CHALLENGE

Dave & "Putter" Weeks

The first week in May a 1000 copies of the TSSB were delivered to our door-step. We are still trying to get caught up with all the request for mail outs. We have built a website to help those who "take the challenge." That challenge is to become a TSSB certified teacher and start a Learning Class in your Sunday school program. We could encourage each of you to visit our website at: <http://www.tssbedu.net> Here's a look at the first page.

*The Sunday School Book (TSSB) is radical, but it is also realistic. It will bring every reader back to the true joy of learning. There is something deep down in the heart of every child of God that longs to know more about Jesus and His Word. If you look carefully, you will see that Jesus is pictured in every lesson. Learning more about Him and hiding His Word in your heart is the first step toward growth and being able to minister to others. Enjoy the journey!*

## "PUTTER'S PEN"

Gen 1:6 And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. 7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. 8 And God called the firmament Heaven. And the evening and the morning were the second day.

Even though it is now off my bucket list my girls still thought they needed take me on another cruise. Remember the last time they took me on one it was in the middle of a hurricane and we did not get the all-clear from the Coast Guard to sail to the Bahamas. We renamed that cruise the Port Canaveral Cruise.

A few months ago they began to make plans to re-do a cruise. It will be a great time, they said. We will go in the Spring of the year, no hurricanes this time of the year, they said. You will finally get to experience the blue water of the Caribbean, they said. So on April 7<sup>th</sup> we left for another try at a cruise. We got to see a rocket launch from Cape Canaveral as we sailed away from the shore (another thing off my bucket list). As we sailed out further, I could not help but think of the second day of Creation, nothing but water and sky! Amazing and quite thought provoking!

They were right, no hurricane. Beautiful clear sunny skies and warm weather and lots of deck chairs to sit in and do nothing but enjoy the ride. Yep, no hurricane in sight, but some things are out of sight, like undercurrents! The ocean was experiencing some dangerous undercurrents and we were not allowed to get off the ship, just kept on sailing ever so slowly.

I was a bit concerned when I saw the girls reading the book of Jonah! But hey girls, we did get out of port ~~this time!~~ Until next time, Jehovah-
