**Subject:** Update

Dear Brethren,

How are you doing? hope everything is fine with you all. As for us in Grenada we had a early rain season which we thank the Lord for. At this time we are giving you an update on the building. From the previous update we still haven't proceeded with work on the building as yet. The Architect had promise we'll receive the Blue print on the 18th May. But on further Enquiry I met with the Ministry of Planning today and was told that the board has been dissolved. We are not sure when they'll regroup but we are praying that it is soon. The board must meet an approve the plan before we can proceed with work. God bless you all as we continue to labor for Christ, praying one for another.

In Christ

Bro. Felix
