Dear Pastors and Partners,

We will soon leave for Botswana. Below is the body of a letter Mike has written detailing our need to raise funds for shipping and some Children's ministry supplies that I have requested. Both letters and a flyer with pictures that you can print and/or post are attached. Thank you for your prayers and consideration.

### LETTER

Who goeth a warfare any time at his own charges? – I Corinthians 9:7a

Yea, ye yourselves know, that these hands have ministered unto my necessities, and to them that were with me. – Acts 20:34

Even so hath the Lord ordained that they which preach the gospel should live of the gospel.

I Corinthians 9:14

Dear Pastor and Partners:

I pray you have had a blessed summer and am praying God gives you a fruitful fall season. Our recent trip to Botswana was incredible and I appreciate all of you who prayed with us. Cindy and I delight in the privilege to serve the Lord in missions and treasure the honor of doing so with your love, prayers, and support behind us. I say that a lot but I say it because I mean it – from my heart. Daily, I marvel at how good God is to let me serve Him – I Timothy 1:12.

**We are currently at 90% of our needed support and are beginning to finalize the details of our departure to Botswana in January.** At the start of our deputation we, by God's grace, determined to live by the work of our hands (driving large vehicles for hire – Acts 20:34) and the love offerings we received in our meetings (I Corinthians 9:14). To be faithful and wise stewards of the resources that God's people invest in missions **we purposed to escrow/save all of our monthly support for the monies needed to transition to and set up our ministry in Botswana.**

**Consequently, we currently have set aside 60% of what's needed** to move, cover airfare, buy a vehicle, rent a house, buy furnishings, etc. etc. We found out that there are a lot of etceteras. Additionally, we intend to sell our truck to add to that amount and we'll continue to escrow our support till we leave. As you know, it is common (and often necessary) for missionaries to appeal for tens of thousands of dollars prior to leaving for the field for passage and set up. I have done everything we could do to minimize our living expenses and maximize your investment in missions so that our appeal for set up and passage would be minimal. At the moment all of our personal monies are being used for the ministry. I promise you that we daily live and practice the faith that we preach. God has never failed us, our needs are met and our heart is full. This is not a personal need. **This is a ministry need!** My heart's desire is to be a missionary that asks for as little as possible so that you are able to help others with your resources and thus maximize the global work of the gospel in every way. The Lord has been good to us, has honored our faith and stewardship, and has graced our lives with an amazing group of people, Pastors, and partnering churches. **With your help in this particular area of need we will leave for Botswana well supported and well equipped, and ready for the good work that God has given us to do.**

We are asking you to prayerfully consider helping with two specific needs:

1) Children's ministry supplies requested by Cindy (attached letter)

2) **The shipping of our 20' container will cost approx. \$7500.** (attached flyer). We have already purchased the container for use as secure storage once in Botswana. Thirty five percent of the container holds our personal items. **The remaining 65% is being filled with tens of thousands of Bibles, Tracts, New Testaments, discipleship resources, and Children's ministry supplies for Cindy.** I prayed earnestly as to whether or not we should attempt to raise funds for shipping the container and God has given me peace to do so and to propose it in this way:

**If each one of our partners / supporting churches doubled their support for two of the next three months (Sept, October, November – container ships 1<sup>st</sup> of December) it would more than cover the entire amount.** For some this would be a sacrifice while others may be able to give substantially more and more easily. Everyone can help by praying for the need and I know God will do what He has always done – make it happen!!

Please designate any additional funds for the container (over and above regular monthly support) as "Funds for Container – Acct. 1560 " and send to:

BIMI (Acct. #1560) – P.O. BOX 9 – HARRISION, TN – 37341.

Dear Ladies...

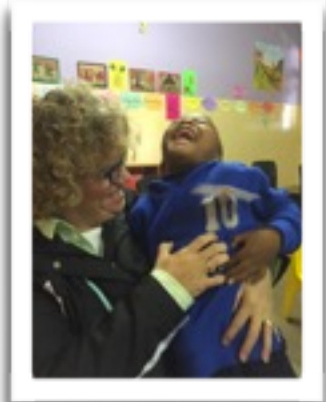

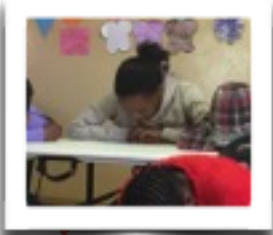

We have just returned from our survey trip in Botswana. I was so excited to have 6 Sundays with these beautiful children to teach their Sunday School Class. We also had a Holiday Bible Club (VBS) that was a huge success.

When we began to scour the city for supplies. OH MY! we were shocked to find out how expensive simple items were. Children's scissors, a single glue stick or a small box of crayons were over \$3.00 EACH. So... soon Mike and I will be going back through what I've already packed of personal items and scaling down again. We want to take plenty of Sunday school material and craft supplies.

I had an idea to contact some of our churches and see if the ladies would like to join forces and help us with the materials and curriculum. We plan to take several years worth. You can help with the actual supplies OR with a monetary offering (I can purchase here to save you shipping cost) - **which ever would be the most fun for your ladies.** Either way, I think it would be great to work together for this goal and there is no way for me to tell you what it will mean to these children, especially in light of their eternity. We will ship our container in December, so we have a couple of months to collect.  
Mail or ship to: Cindy Haley - 893 N. Broadway - Greenfield, IN 46140.

Many have so little that little means so much. The kids loved everything we did. From making a crown with a paper plate to Bible word puzzle sheets... their excitement is contagious. Thank you in advance for your help in this ministry.

In His Service,
