Dear Partners & Friends,

“Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee whithersoever thou goest.” – Joshua 1:9

This verse is on a plaque that hangs on our wall. (Actually, it is the only thing that we have on our walls, except a clock!) As each day brings new ministry opportunities and challenges, I find comfort in knowing that I am never alone. As I finished my second radio broadcast this afternoon, I was so thankful that my strength and courage to face such a challenge is not dependent upon my strength or knowledge; but on the ONE Who is with me withersoever I go!

The month of September was very busy with preaching, teaching, and meeting with pastors to develop our curriculum for the Bible college. We are thankful for the Faith Bible Institute DVD program that we have used the past three years while I was on deputation. However, it has become too expensive to sustain that program since they

can no longer offer international discounts. Therefore, I have been working with key people in the States for the past few years to develop our own complete program. While many have contributed, I want to thank Pastor Fred Daniel for allowing us to work under his college. He has been a great help to me!

Even with the discount pricing, the only way we were able to use the FBI materials was through the support we received from churches and individuals. We will continue to need that same support in order to keep educating students for ministry. If you or your church would consider supporting the West Africa College Fund, that would be a great blessing to these African students. You can support a student for only \$50 / semester. Please give this serious consideration. \*\*Gifts for this can be sent to our mission agency, WWNTBM, and marked as “West Africa College Fund.” Gifts are tax deductible and 100% goes to the college! (Unlike the C.F.)

Brenda was so excited to finally receive the Sunday school materials on our container. She has already been teaching and helping other teachers use these wonderful tools. When she returns from the States, she wants to have some training workshops in order to get more teachers. Each church has one teacher for ALL the children of every age group! Brenda is in the States for the birth of our 8th grandchild!

God’s Best,
Rick and Brenda Osborn

I am so enjoying the opportunity to share God’s Word on Liberty Radio 88.9. Please remember to pray for me each week and that souls will be saved.
