Dear Friends and Faithful Supporters,

The Lord is at work in Kenya. I have seen with my own eyes the marvelous works of God in Africa! The last verse in the book of Mark says, "And they went forth, and preached every where, the Lord working with them, and confirming the word with signs following. Amen." (Mark 16:20) The signs are all there! Souls are being saved! Entire communities are being changed! Churches are multiplying! Missionaries are being sent! Lives are being changed! It is truly wonderful to see the hand of God working in Kenya.

### **2016 IBOM Kenya Conference Huge Success!**

Thank you to all that gave to this year's IBOM Kenya Conference. You have made a great investment in souls! The results of this year's conference are 6 new church buildings dedicated, 37 graduates of the Providence Baptist College, 18,300 in attendance at the Malaba Outreach Baptist Church, and 3,035 saved! The cost of this year's conference was less than \$4 a soul! What a great investment!

### **Youth Camp**

The next major event on our calendar is the 2016 IBOM Kenya Youth Camp. The results of last year's camp was 550 in attendance with 270 saved! The cost for this year's camp will be \$2,250. Currently, we have \$1,250 raised which leaves us with a balance of \$1,000. Please pray that the we can raise the rest of this money quickly.

### **Nairobi Update**

The Lord is doing great things in Nairobi! Recently, we were able to start the Mwumuto Outreach Baptist Church. That pastor's name is Edwin Mwaka. We have recently received a report that this new church plant is now regularly having 65 in attendance! Glory to God! Church planting with national pastors works!

### **Family Update**

In our last letter we announced the birth of our new baby, Micayla Joy Smith. Micayla is now 4 months old and is happy and healthy. Savannah and Micah are now enrolled in school and are making a lot of new friends. Recently, I had a nasty bout with a kidney stone. The pain was so bad that I had to go to the emergency room. The doctor told me that I had a 3mm kidney stone and that I would have to pass it on my own. It has been a month and I still do not think I have passed it yet because I still have occasional kidney pain. Please pray that we can get this behind us as soon as possible.

### **Future Plans**

We have a big vision for Kenya and we can't do it without the Lord's help! Our future plans for Nairobi are to buy land for the Nairobi Outreach Baptist Church so that they can expand and grow. The cost to buy land will be around \$50,000. Help us pray about that! Our plans for Western Kenya are to continue to build churches with national pastors, hold conferences, and continue with our youth camps.

We are filled with joy as we continue to serve the Lord as church planters. We thank you for your prayers and continued support.

His for Kenya,  
**Spencer Smith**
