Establishing and

Equipping Local

Churches through

National Pastors

Dear Partners & Friends,

November 2016

I write this report with a heavy heart for my brothers, sisters, and the people of Tappita, Liberia. A few days ago, they experienced the worst storm they have ever had! Roofs removed, homes destroyed, much damage, and thousands of people displaced from their homes. They are truly at a loss as to what they will do. You see, they do not have insurance or government emergency assistance as we have in the U.S. They will not receive millions of dollars from the U.S. like Haiti has. The national government will not come to their aid. They rely only on themselves and any other help they can receive. These dear folks have spent 10-20 years building their homes, only to see them destroyed in just a few moments. Brenda & I will do what we can and give what we can, but I ask that you will consider giving a financial donation to the Tappita Relief Fund. I am not a great fund-raiser with a Pay-pal account or an easy payment system. All I have is my Mission Agency to receive your gifts. So, it will take a little effort on your part to write a check and mail it to: WWNTBM P.O. Box 725, Kings Mountain, NC 28086. Please know that every dollar donated will go to this fund and the great need!

< This is Tappita Christian High School. A ministry of Tappeh Baptist Church where Bro. Kerdoe Dwanyen is pastor. The roof is gone and the classrooms all flooded.

The destruction to this community is heartbreaking! This is only a small sample of the devastation.

If you go to my FB page (Rick Osborn Missionary), you can see videos posted by Pastor Dwanyen.

Friends, it is not only home repair with which they need help. They also need food, clothing, bedding, etc. Please, if you would, take up a special offering for this need. Maybe you could make it a Thanksgiving offering – that would certainly be a worthy project and make an enormous difference in many lives.

Thank you for caring,

Rick & Brenda Osborn – Your Missionaries to Liberia, West Africa
