

FROM THE DESK OF

JOHN AND KIM O'MALLEY

May-June 2017

Dear Friends,

I began the month of May in Alaska. I was not scheduled to go to Alaska. But, God used a cancellation to reappoint me to fill in for a speaker who had to cancel at Bible Baptist Church in Fairbanks. What a thrilling conference! God spoke to hearts about giving and going to the mission of God. On the last night, I preached to the youth group. The service was extraordinary. Please pray for the young people in this church who want to serve the Lord.

Each week I meet with our missionaries on deputation in an online video conference call. We meet for a time of encouragement, prayer, and accountability. World Wide New Testament Baptist Missions has fourteen families who are presenting their ministries to churches to raise support to go to the field of their calling. Please pray for these families who want to get to the place God has called them to service.

In May, I participated in Amanda Baker's commissioning service. God called Amanda to serve Him in England. The service came at the end of the missions conference at her home church, Tabernacle Baptist Church in Virginia Beach, Virginia. The Lord gave me the opportunity to speak with the youth in the Christian School. I challenged them to give themselves to the cause of Christ, no matter their vocation. Please pray for these Christian school students.

Lastly, our son, John, got engaged to Hannah Staley of Thomasville, NC. They will be married September 23, 2017. We are thrilled by the way God brought them together. They will live in Winston-Salem, NC after they marry. Please pray for them as they begin their lives together.

For His harvest,

John O'Malley
