Greetings to our friends in Christ:

Well, it has been awhile since I wrote to you and I apologize for that blunder on my part. Actually, the spring has gone well for us and we do want to thank you for praying with us. I asked you to pray for several things and all of them were successful, including my eye surgery. It surely is nice to have my eyesight in good shape. Reading is a big part of my life and a real blessing.

This last month has been spent traveling and preaching. We had a really good meeting with the Midland Baptist Church in Midland, Michigan. Pastor Payne and his people were very receptive and also very kind to us. Naturally, all that we do reflects back to you and we desire to bring forth fruit to your account.

As life moves forward, we plan to continue in our preaching and teaching ministry. Our age now gives us more opportunities to speak into the lives of hurting people. Today, my burden is with a family here in Florida. Their eleven-year-old son has the same cancer that our Stephen had and this makes many things fresh in our hearts and we hurt with this family. I think you understand and you will join us in prayer for Anthony Franzini.

As always, thank you for being a blessing to us.

In Christ,

Ed Gibson
