Dear Praying Friends,

Luke 24:47 - And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem.

What a joy it is to share some of the blessings we have seen in Belize! The hand of God has been evident in our labors even to the point that we are seeing fruit. A lady named Natasha and her cousin Amanda both whom we invited to church back in July have become faithful in their attendance, not only are they attending Sunday morning, but also Sunday evening and the Thursday midweek service. We have seen several of their family members ride the van to church, including Natasha's mother who has been attending church both Sunday morning and Sunday evening. Natasha came forward during an invitation and she was asked about her eternal home in Heaven. Both Robin and I have spoken with her. She says that she was saved after one of our church ladies spoke to her during that invitation. The next step for her is baptism, and she has been asking us about it. Pray for her spiritual growth.

Many have prayed with us for months in regards to a 15-passenger van. Well this month we purchased a 2006 Ford Van with only 90,000 miles. We are thankful because we can use our van to offer rides to church. We are thankful to God because our van has been full every week since purchasing it.

Prayer requests:

1. Please pray for the people affected by both Hurricanes Irma and Harvey.
2. Please pray for Pastor Jason and Kelly Moncofsky as Mrs. Moncofsky is battling cancer.
3. Please pray for Pastor Tom and Trina Bish as Mrs. Bish is battling cancer also.
4. Please keep Pastor Gary Dice, who is also my pastor, in your prayers. He recently had a few setbacks with his heart condition.
