Dear Prayer Partners and Supporters,

We are excited to send out our first report for this new year. Our year has gotten off to a great start, and we have been busy with a steady stream of meetings! We have been able to present the ministry in Virginia, Tennessee, North and South Carolina. Since our last prayer letter, the Lord has led several additional churches to partner with us, and we are currently at 11% committed support. Our meetings calendar is continuing to fill up for the year, and we are very thankful for the doors that the Lord is opening. We pray that we never take for granted the opportunity to share our call to Bolivia.

As we began this new year, we stepped out in faith, knowing it was God's timing for us to begin deputation full time. Over the past few weeks, it has been amazing to watch God provide for every need. We can see that He is using this in our lives to increase our faith, and to help us learn to lean on Him. He truly is a good Father that can be trusted to keep His promise to provide all our needs!

We are very thankful that although we have encountered a lot of sickness in many of the churches we have visited, God has kept us from any illness so far. Please keep us in your prayers as we continue to travel and share our call to Bolivia. As we look towards this coming year, we are excited to see how God will work!
