**Dear Prayer Partners and Supporters,**

Over the past few months, we have clearly seen that we serve a God “that is able to do exceeding abundantly above all that we ask or think” (Eph. 3:20)! God continues to overwhelm us with His love and provision through His people. We are so thankful for safety during the past 13,000 miles that we have traveled since beginning deputation. Another answer to prayer is that we have several new supporting churches, which brings our committed support level to 18%.

In addition to sharing our call to Bolivia, we have been able to minister in several other capacities. One of our favorite ways to get involved during meetings, is teaching children's classes. We always love when the opportunity arises for us to work with young people and help encourage them to get excited about missions. We have also had the opportunity to minister through music by singing and playing the piano for several different churches. It is truly our desire to be a blessing to every church we visit.

Although our family has struggled with several rounds of sickness this past month, we are thankful we have not had to cancel any meetings. Our youngest son, Landon, contracted the flu in March, which caused him to have his first febrile seizure. It gave us quite a scare, but we praise the Lord that this type of seizure is not usually harmful and should be something that he grows out of soon. Thank you for your continued prayers for health and safety as we travel.

As we look toward the coming weeks, we are excited that God has provided a good number of meetings. It is such a delight to meet brothers and sisters in Christ all over the U.S.! It is also very humbling to hear those people lift up our names in prayer and sacrifice financially, so we can carry out God's call on our lives. Thank you for your part in our ministry!
