

August 2018 Update

To Our Partners in Ministry,

Summer time is the most popular time for teams to come and get involved in the work in Zambia. It was exciting to have a team of 20+ people at the farm for several weeks. They were able to paint the orphanage at the farm, replaced the roof on the new school building, do a lot of preaching in the bush and build relationships with the nationals. Everyone left with a part of Africa with them.

Word continues to spread about all that God is doing on the farm and in the ministry. We had a visit from three pastors that have been preaching 50km out from one of our churches for years. They found out about the ministry and have asked for help in reaching his area of the bush. Praise the Lord! The national leadership continues to keep the ministry going in our absence. It is a blessing to see them coordinate and teach Bible Institute classes and handle issues that arise. Please pray for the ministry leadership as they serve the Lord.

Furlough continues to go well. We are on the road updating churches about what the Lord is doing. Pray for us as we travel and share at churches in VA, NY, TN, AL, LA, and MS.

Thank you again for your prayers and support!

As you pray for us...

Please keep the following in mind:

- *Souls saved and people to surrender to God's call on their life*
- *The power of God on our lives as we share the ministry*
- *Our kids to see our love for God as we obey Him*
- *The ministry in Zambia as we are in the States*
- *Our friend and sending pastor, Dr. Shane Lewis, as he recovers from cancer*
- *Safety as we travel the States sharing with and updating churches*
- *For the salvation of our younger children*
