September 2018

Praise God from Whom all blessings flow! God is good all the time and we are so thankful for His faithfulness. This month's activities in the Philippines have been such a blessed encouragement.

I was blessed to preach at New Beginnings Baptist in Tapi, Kabankalan with Pastor Willy Edoloverio. The Lord blessed the efforts with a great crowd and four people making professions of faith. God is doing a great work through Bro. Willy there.

The Lord allowed me to teach a class in the Bible College "On Being A Servant of God". This book was a great help with an enormous amount of wisdom from Dr. Warren Wiersbe. The Lord seemed to really speak to our hearts about our leadership and servanthood principles. Methods are many, principles are few. Methods always change but principles never do! God helped us and we are grateful.

The New Beginnings Baptist Church of Bacolod City celebrated its 15th Anniversary Revival. The Lord has been so gracious to this church through the years. The Lord blessed on this special day with a great crowd and seven people saved.

The highlight of the week was on the last night as we commissioned three more families to go out and win souls, make disciples and start more churches. Please pray for the families of Donald Cuizon, Reymund Paculanag and Jessie Cabalhin as they prepare to go out in pursuit of Gods will for their lives.

Thank you for your continued partnership through prayers and financial support which, with the help of God makes all this possible. Please pray for my mother, who will be having major surgery in October, which could lead to an amputation of her leg or possibly even life threatening. As a result of this, I will have to cancel my trip to China. The work there is going well and making great progress without me. Our partner there is keeping me updated on what God is doing and we are thankful. Do continue to pray for my trip to Thailand and Myanmar in December. We still need \$5100 for this trip and conference.

By His grace, *The Chris Murray Family*
