### Deputation Update

During the past few months, Sarah and I have been privileged to present our ministry to ten churches with three of those partnering financially. As a result of the new supporting churches, our monthly support level is now at 85%! We praise the Lord for His provision! During the month of July, Sarah needed to travel back to Nova Scotia, Canada to obtain clearance from the US Border Control Services to travel this fall on deputation since she is not a US citizen. We have been blessed to not run into any issues crossing thus far, however we wanted take extra precaution considering how much time Sarah has been in the states already this year. After speaking with border agents, we praise the Lord that we were able obtain the needed clearance for Sarah to travel for the rest of this year. Also during our time back in Canada, we were able to enjoy a break from meetings for the first time since the beginning of the year. The two weeks off came at a good time as we are now gearing up for a busy fall season filled with eight mission conferences and nine individual meetings. During the month of August, we began our travels in the mid-west and now on the west coast. We will be in meetings on the west-coast for most of September and October so we would ask you to pray with us that God would use us to challenge and encourage churches and individuals about the need for the Gospel in Gambia. On a different note, I have been in contact recently with several shipping companies about shipping a container to Gambia. Please pray that we would be able to finalize the details for shipping the container before we leave for the field this coming spring.

### Praise & Prayer

We praise the Lord for more answered prayer! In our last letter we asked you to pray with us for the sale of our camper, and to our amazement, God provided a buyer last month! Also last month, we received exciting news that our airfare would be covered when we leave for Gambia this coming spring! We praise the Lord for these answered prayers and are thankful for how the Lord has continually provided for us. Also, we would ask you to pray with us that the Lord would supply \$6,000 for our Outfit & Passage to Gambia. These funds will be used to ship a container of home and ministry items to Gambia as well as help pay for the start of Wolof language study when we get there. If you would like to give towards this need, simply designate your giving through BIMI accordingly or contact us at the information listed below. Thank you for your continued faithful support and prayers of our ministry!
