Dear Prayer Partners,

October/November 2018

This Fall we were busy with many Mission Conferences. Our travels took us to the South-West down to the Deep South and over to the East Coast. We were able to share our ministry and burden with many wonderful churches and have gained many prayer partners, new friends and financial supporters along the way. We are truly grateful for God's goodness to us by bringing us to every church that we've presented in. We are also grateful for the safety the Lord gave on the road as well as the provision the Lord provided on behalf of these wonderful churches.

On a sad note, Keith's grandmother passed as well as his uncle and one of our sending church members all within the Month of November. Although we are saddened that we will miss our family and friend we are also rejoicing that they are in Heaven and that we will see them again someday.

We have local meetings scheduled for the rest of this year and into the beginning of 2019. We are thankful for this time to be at our home church more often and to be able to meet many of the new members. We are excited as to what God is doing at our Sending Church! We are also thankful to be local because that will give more time to outreach in our community.

Thank you again for your prayers for us and for Ecuador!

In His Service,

The Morris Family
