Dear Praying Friends,

We have been blessed with sponsors for four new ministries in Myanmar. Please join us in praying for these three new churches and orphanage ministry.

The **Edward Hnun Family** is starting the Bethel Baptist Church in Mandalay along with an orphanage ministry. Just in the few months they have been in Mandalay, they have accepted nine children. We are so thankful for this opportunity to expand the ministry of IBOM into Mandalay.

The **U Khin Maung Win Family** is starting a ministry in another section of South Dagon near Yangon. This is one of the largest areas of population in Myanmar. Bro. Win is an aggressive soul winner and Bible student. He, too, has taken children into his home. We look forward to seeing what God will do through this sweet family.

The **Yaw Nway Family** is starting the New Living Way Baptist Church in Mingaladon, Myanmar. Yaw Nway was converted from animism. Most Burmese were animist or Buddhist before coming to Christ. Yaw Nway has been attending our Pastoral Training sessions for quiet awhile and has just recently stepped out to start having Bible studies in this new area to start this work.

We are growing more excited everyday as we pursue our goal of starting fifty ministries before 2020. With these four new additions we are now at forty-six. Four more ministries and we will see the Lord answer a very significant prayer for us as the Asian Field Missionaries for IBOM. **Please pray as we pursue this goal by the end of the year** and if you would like to sponsor one of the remaining four ministries in Asia please call me. Also, please pray for **my family and I as we will be returning to the Philippines in March to visit all of our churches**. We will be preaching in all of them and Amy will be speaking in Ladies Meetings and Andrew will be speaking in Youth Meetings. If you could help with any amount on the expenses of this trip we would greatly appreciate it.

By His grace and for His glory, *The Chris Murray Family*
