Hello Pastors and Praying Friends,

Thank you for your faithful prayers and financial support. God is working all throughout Southeast Asia and our family as well.

Andrew has had a wonderful summer missions experience visiting prisons and schools with the National Hoops and Inside the Lines Ministries. His team was able to visit 15 prisons in 3 different states. They preached the Gospel to around 500 inmates, handed out 350 Bibles and saw 112 men respond to the Gospel. Andrew had the privilege of leading 19 of them to Christ personally. I am thankful to see my son serving the Lord.

Amy and Andrew were both assigned leaders for our home church summer youth camp at Pensacola Christian College. As leaders, not only were they responsible for looking after the teens safety but also had the opportunity to be a positive role model and influence the teens for Christ. Both had the opportunity to counsel and pray with several young people throughout the week.

Our **Adoniram Judson Tract Campaign** in Myanmar has begun very well. We were able to print 10,000 copies of the Judson Tract and many have been distributed already. The reception has been great, opening many doors to do Bible studies with Buddhist families. There have been several professions of faith such as this village leader who stated that he had never seen or heard anything like the message of Christ before.

We covet your prayers as we begin preparations for our **Making a Difference in Myanmar Christmas Campaign**. It will be here before you know it and there is much to be done. Openly evangelizing the Buddhist is technically illegal, however they allow Christmas Programs each year. This is the best opportunity of the year to distribute the Gospel of Jesus Christ. We plan to have all our Burmese pastors come together for a few days of additional training and encouragement. We are asking the Lord to provide the funds for us to share Bibles with each of our ministries which is currently twenty. The Christmas Programs will require a small snack to be distributed to those who attend. The expenses for the airfare, hotels, traveling in country of all the team, the Bibles, and food will be around \$18,000. We must send much of this money in advance to cover these expenses. *We ask that you prayerfully consider helping us with this great opportunity to win the Burmese Buddhist and Muslim people to Christ!*

We also ask that you continue to pray for our goal of starting 50 ministries by the end of the year. We are at currently at 46 ministries and believe that God will enable us to accomplish this goal for His glory!

By His grace and for His glory,

*The Chris Murray Family*
